Dear Sirs:

The enclosed Information Disclosure Statement is submitted under 37 CFR 1.97(c) together with a **\$180.00 fee** under 37 CFR 1.17(p), by CREDIT CARD. (This filing is believed to occur before the mailing of a final action or notice of allowance, whichever occurs first).

The last page of the IDS lists a number of references in which the Assignee has an interest. Those U.S. references that are still pending are identified by both serial number and filing date (placed in the "Publication Date" column), and by publication number and publication date, for convenience of the examiner. Applicant has checked and believes that all of these pending U.S. references are in the IFW system. A copy of the PCT publications is provided.

Applicant notes that the second page of the IDS contains references to applications or publications in which Assignee claims an ownership interest. It is requested that the information disclosed herein be made of record in this application.
